COMPETITION GUIDELINES

Welcome to this year's Camp-O-Ree. Patrol Leaders, we want to wish you and your Patrol the best of luck at the Valle del Sol & Trails of the Valley Districts Camp-O-Ree. You and your Patrol members will be competing with Patrols from other Troops, as well as from your own Troop. In addition, you will be competing against yourselves to see who will be the "TOP PATROL" at Camp-O-Ree.

As a Patrol leader, you will want to make sure that the rest of your Patrol members know their basic Scouting skills. Does everyone know how to tie a bowline? Does everyone know the different kinds of fire lays that we can use and how to build them? Now is the time to find out. Help the rest of the Patrol members on the areas that they will have trouble with. Schedule a pre-Camp-O-Ree to test your Patrol.

Any member of your Patrol that is an Eagle Scout is NOT allowed to compete. Senior Patrols predominantly made up of Eagle Scouts are suggested to contact the Camp-O-Ree chairman to express interest in participation on staff. The following events will be included in the 2011 Camp-O-Ree.

EVENTS

1. Patrol Inspection
2. Fire Safety
3. First Aid
4. Knots & Lashings
5. Mystery Event
6. Citizenship
7. Knife & Ax Safety
8. Campsite Inspection
9. Orienteering

Don't forget to tell your Patrol members to ask their parents and family members to come to the campfire on Saturday night. Formation for the campfire will begin at 8:00pm Saturday evening.

This is a test, you are being graded on your knowledge and performance in common Scouting knowledge and tasks. Upon the completion of Camp-O-Ree, Patrols are encouraged to review with a Scoutmaster or other leader the Patrol's low scoring areas and seek positive growth of knowledge in that area.

Patrol Inspection Event

Inspection includes two major aspects of being a Scout:: Wearing the Uniform and having your Essentials. You are REQUIRED to wear the “FULL OFFICIAL UNIFORM” (Field Uniform) designated for “SPECIAL OUTDOOR OCCASIONS” as stated in the Boy Scout handbook during the following activities:

- Transportation to and from Camp-O-Ree
- Check in and out
- Inspection
- Dinners
- Flag ceremony
- Campfire
- Scout’s own

At all other times Scouts are encouraged to wear the uniform designated in the handbook for “OUTDOOR ACTIVITIES” (Activity Uniform). Each member of the Patrol must carry his essentials at all times.

Campsite Inspection Event

After breakfast and before lunch, each Patrol campsite will be inspected for safety and neatness. Patrols are not to be in their campsites after breakfast and before lunch. That’s when your campsite inspection will be done. **Campsite Inspection criteria will include but is not limited to:**

- A. Patrol Duty Roster, Menu, Neat Map of Patrol campsite and area, Fireguard Chart, Safety Postings (*tripping hazards, etc.*) and placement:
 - Base Camping Patrols: Patrol Storage Area
 - Backpacking Patrols: Designated central pack pocket marked visually with a streamer or zip tie.
- B. Cleanliness and Organization. Use of campsite space and removal of trash.
- C. Gateway OR Camp Gadget of your own design. (*Backpacking Patrols will be graded on a Patrol sump rather than gateway/gadget.*)
- D. Proper storage for food and Patrol cooking/eating items.
- E. Bear triangle established with closest latrine cooking area and sump. (*Backpacking Patrols only*).
- F. Visual inspection of each tent interior. Prior to leaving the campsite, open & tie the outer door of tent so that inside is visually accessible from exterior of tent. Patrols not following this instruction will be marked off on tent inspection.

Base Camping Patrols

All members of the Patrol must leave their personal Eating Kit and personal Cleaning Kit in their Patrol’s Central Storage. This will prevent any animals from entering tents. Make note on the Patrol Storage where these items are being stored and can be found so that the inspectors can grade appropriately.

Backpacking Patrols

All personal Eating Kits and Patrol cooking tools should be left near the Sump. Leave all smellables including personal Cleaning Kits and Patrol Food in appropriate Bear and Animal Storage and make note of its location in designated central pack pocket. Leave Patrol stoves, fuel, extra unused bear storage/bear bag and line in central cooking area.

CODE OF CONDUCT

I recognize that my personal conduct and that of all participants attending the Camp-O-Ree will do much to enhance the image of Scouting. I therefore accept the following Code of Conduct.

1. The Scout Oath will be my guide throughout the Camp-O-Ree.
2. I will set a good example by keeping myself neatly dressed and presentable. The official Field uniform will be worn. During the events on Saturday, an "Activity uniform" may be worn.
3. I expect to attend all scheduled Troop activities and take part in as many optional activities as I am able.
4. In consideration of the other participants at the Camp-O-Ree 2011, I agree to be in my tent and remain quiet from lights out to reveille.
5. I will be responsible for keeping my tent clean and neat, and will adhere to all Camp-O-Ree 2011 policies and regulations.
6. I pledge to do my share to prevent littering and defacing of the Camp-O-Ree site.
7. I agree that no gambling of any kind will be permitted.
8. I understand that the illegal possession or use of drugs, alcohol, harmful substances, fireworks and firearms is strictly prohibited.
9. I understand that I will be personally responsible for any loss, breakage or theft of property which I cause.
10. Campsite etiquette will be strictly enforced. Permission must be granted before entering another Patrol's campsite and no one is permitted in someone else's campsites when they are not there. Unit leaders will be informed of violations.

Remember the theme for this year's Camp-O-Ree is

" Scouting For Tomorrow".

Meals

Patrol members and Patrol leadership will not be permitted to camp and/or eat with other competing Patrols. Leaders, parents and siblings will not be permitted to eat with your Patrol. Those groups will be provided an area for their own campsite. This will allow the competing Patrols to show the Camp-O-Ree staff what they can do. During competition of Camp-O-Ree events, only judges will be allowed in Patrol sites. You and your Patrol should have no contact with outside leadership, other than to coordinate gear drops, from check-in to the completion of the competition events on Saturday.
